All,

Per your request, attached are several files that represent DCNs that support the assumption.

DCNs in favor to EPA 11-10-20.xlsx – Lists the DCNs, commenter name and affiliation; DCNs are attached
10-21-20 Public hearing comments in favor.docx – Presents DCNs and excerpts for supporting speakers in the 10-21-20 public hearing

Note that I did not see any comments strongly supporting the Assumption in the 10-27-2020 public hearing. However, I did list Chris Pettit, Florida Department of Agriculture and Consumer Services, since his comments seem to be generally supportive.
